

EILO (European Interior Landscape Organisation) invites you to:

1st International congress for the Interior Landscaper.

Date: 2 November 2010
 Location: Hotel Schiphol A4 -
 Hoofddorp -The Netherlands

You are welcome from Monday evening November 1st.
 Congress will be in English, German, French and Dutch.

Morning programme:

General

You will be inspired by the following interesting speakers:

- The EILO board
- Mr. M. Ballieux - from Alberts & van Huut BV Architecten
- Special guest
- Presentation of a representative of Canada & USA

SVIR will host the general programme.

Afternoon programme:

Workshops

- **Green walls** (hosted by S.N.P.I.): Because of the rapid development of the demand for green walls, you will be given extended information about this subject.
- **Plants hydro or soil** (hosted by FvRH): Why in one country hydro is the preference, while another country uses mainly soil for it's plants?
- **Marketing tools** (hosted by VHG): What more can you offer as a company and how to present this to your customers?
 As an example we will present to you a new concept for flowers.
- **Health & Green** (hosted by eFIG): In the past there has been a lot of research about the influence of plants in the office. A summary and reliable overview of studies is needed. On 2 November we will formulate a conclusion.

You participate in two or three workshops.

Evening programme:

Dinner

During this gala dinner we will give you an overview of the day.
 The results of the workshops are discussed.
 And of course there will be entertainment.

What else will there be?

Throughout the day there will be a

Supplier market

A lot of important suppliers from Europe will attend and present their products especially for the Interior Landscaper

- A bar for an European Interior Landscaper rendezvous
- A Wall of Plants
- Various demonstrations
- Questions and Answers
- A 'Who's who'- book: a compilation of attendees with pictures and companies.
- Meet and Greet with:
 Building with Green and Light.

At the end of the Congress every participant will receive all the information about the Congress on a USB stick.

The cost for this day amounts € 285,= (this is including lunch, dinner and drinks, and excluding hotel accomodation). We can reserve a hotel room at Hotel Schiphol A4 à €105,-.
